There is an unusual amount of court going on in Jackson just now—mostly, however, of the law-loving kind.

The young gentlemen appointed to prepare grounds for Sabbath School Pic-Nic, are requested to meet at Prof. White's schoolhouse, to-morrow morning, 9 o'clock.

"The Land We Love," for May, is illustrated with a beautiful engraving of the children of ex-President Davis.

BRAZILIAN EMIGRATION.—It will be seen by our advertising columns this morning that the steamer Virginia, advertised to leave for Brazil on the 25th, has been withdrawn. Chas. Nathan's agency will not send out another until Fall.

The shipping of lumber to St. Louis from this State, has become a very considerable business. We saw ten car loads yesterday, from mills at Lawrence Station, passing over the Vicksburg road. The mills along the line of the New Orleans railroad, are almost daily forwarding heavy shipments. Mississippi Pine is especially sought for in the St. Louis market.

The newly elected Board of Directors of the Vicksburg and Meridian Railroad, passed over the road yesterday on a special train. We learn that they had many things ahead good for the inner man, that were disposed of as only railroad men know how. On some roads, it is customary on such occasions, to have the press represented—especially when, as in this instance, "extras" were so abundantly provided.

It is quite natural that the school boys of the rising generation should cherish and manifest a profound reverence for the carpet-baggers who would rob their fathers in order to build up a "system" of education from the benefits of which they are, practically, to be excluded. We hold it to be the duty of Principals of Academies to inculcate sentiments of sincere affection and gratitude for these modern philanthropists, and teach their pupils, as they see them pass, to make due obeisance.

A new Fire Company, "Gem No. 2," was organized last night—and the following officers elected for the ensuing year:
 W. F. FITZGERALD, FOREMAN.
 J. J. HUBBARD, JR., 1st. ASST.
 JOSHUA GREEN, JR., 2ND. ASST.
 J. C. JULIENNE, HOSE DIRECTOR.
 EDWIN BARKSDALE, ASSISTANT.
 JOSEPH MORRIS, SECRETARY.
 O. CLIFTON, TREASURER.
 JAS. D. MCANILAN, STEWARD.
 The new organization is composed of the right sort of material. Our best wishes attend it.

THE CENTRAL ROAD LEASED.—We were yesterday shown a telegram from Gen. A. M. West, stating that a company in Delaware had leased the Mississippi Central Railroad for sixteen years, and that arrangements are already being made for the extension of the road to Louisville, Ky., thus making a through line from that city to New Orleans. The company leasing the road assumes its entire indebtedness, except a debt to the State of Tennessee, which does not mature under twenty years, and at the expiration of the lease, returns it to the stockholders in as good condition as when transferred. The extension of this road will increase, immensely, the travel and freighting through this section.

THE AMERICAN HOUSE, BOSTON, has recently completed the addition of forty family rooms in suites, comprising parlor, bedroom, bath-room, &c., all furnished in the most elegant style. The American, under the skillful management of Mr. Lewis Rice, has long been known as one of the best hotels in the country, and the excellence and liberality of its arrangements have gained for it a wide and justly merited popularity. Travelers and tourists who have occasion to visit Boston will find the house entirely refitted and refurnished with every luxury, comfort and convenience. With the most complete passenger elevator ever constructed, an excellent café, spacious billiard halls, and the most central location in the city for business or pleasure, it will more than maintain the popular favor which it has so long enjoyed.

AMER'S CIRCUS AND MENAGERIE.—As announced yesterday, this splendid exhibition is now performing at corner of Bourbon and Orleans streets. There was a full audience last night, notwithstanding the bad appearance of the weather. Judging from the enthusiastic applause and the cheering and waving of the flags, the troupe was well received. There has never appeared in our country a performance so successful, so skillful and astonishing. Nor must we omit to mention the acknowledged merit of the daring back-bend riders, Smith, Naylor and Watson. Altogether it is the finest equestrian troupe we have ever seen. And the audiences are kept in highest good humor by the inimitable wit and telling allusions of Johnny Lawson, the clown. Johnny is fast winning a reputation that will elevate him to an enviable rank in his profession.

The performances of Herr Lingel and Mlle. Ella Zoyara, with the tigers and lions still continue to evoke the admiration and astonishment of all who see them. It is certainly the most daring and perilous performance ever witnessed. Another exhibition to-night, and a matinee to-day—N. O. Picayune.

SPECIAL NOTICES.

Let not Prejudice Usurp Your Reason.

It is a fact that, in the minds of many persons, a prejudice exists against what is called patent medicines; but why should this prevent you resorting to an article that has such an array of testimony to support it as **HOSLETTER'S STOMACH BITTERS?** Physicians prescribe it—why should you discard it? Judges, usually considered men of talent, have used and do use it in their families; why should you reject it? Let not your prejudice usurp your reason to the everlasting injury of your health. If you are sick, and require a medicine, try these Bitters.

When the bodily energies are worn out by anxiety and need a stimulant, this is the best that can be taken. It is a powerful and modified by hygienic herbs and roots, which prevent it from feverish and blood, and hence it does not produce a mere temporary excitement, to be followed by injurious reaction, but communicates a permanent tendency to the entire vitality of the system. Some of its herbal constituents are slightly soporific, so that in cases where sleeplessness is one of the accompaniments of a nervous disease, a dose of it taken towards bedtime will tend to produce quiet and refreshing slumber. For palpitation of the heart, tremors, hysterics, fainting fits, general restlessness and the countless fears and distressing fancies to which ladies are especially subject, under certain morbid condition of mind and body peculiar to their sex, the Bitters will be found the most agreeable and certain of all counter-irritants.

The constitutionally nervous may readily keep their infirmity in constant check by the daily use of this healthful and vegetable tonic; and those who have "shattered their nerves," as the phrase is, either by imprudent indulgence or undue physical or intellectual labor, will find in this vitalizing elixir a prompt restorer.
